

HILLBILLY GAMES

Let the Games Begin Y'all!

Y'all never seed this before. Juicy, we have put together a collection of games we'd played at the rice and we thought you would like to play them at your schools. You get 4 sets of Corn Hole, 4 sets of Hillbilly Golf, 4 sets of Washer Toss, 2 sets of Toilet Seat Horseshoes, Hermit Crab Racing and Airbrush Tattoos for:

\$1500 PLUS TRAVEL & LODGING

That's the possibility of **over 60** students all participating at the same time! You can go all out and add one of these programs: Hillbilly Photos with students dressed in flannel shirts, overalls, straw hats and Billy Bob teeth. You could also add Hillbilly T-shirts or Hillbilly Bumper Stickers where students can design their very own t-shirt or bumper sticker and put things on them like "Git -R- Done!"

Throw in some country music by our very own Larry Bagby (check him out at www.larrybagby.com) and you have yourself a real **country shindig!**
