

Josh Sneed

Bio

Josh Sneed is quickly making his mark as one of the top young comics in the business, and for the purpose of this bio, has become skilled in the art of writing in the third person. After quitting a comfy day job working for Procter & Gamble, he's made excellent strides in following his passion for making people laugh working with such acts as Dave Chappelle, Dane Cook, and the late Mitch Hedberg.

In 2008, Josh finished 2nd out of 100 of Comedy Central's top comedians in the annual "Stand-up Showdown", earning him a deal to record a new album on Comedy Central Records. The album, entitled "Unacceptable" was selected by iTunes as one of the "10 Best Comedy Albums of 2008". Josh also filmed a 30-minute special for the network entitled "Comedy Central Presents: Josh Sneed", and has been seen on "Premium Blend". In November of 2006, Josh placed 6th in the Sierra Mist/MySpace Stand-up or Sit Down Challenge out of over 2,000 entrants. Finishing high in competitions is nothing new to Josh. In 4th grade he earned a blue ribbon for throwing a softball through a tire.

In 2004, he performed at the Just For Laugh's Montreal Comedy Festival in the "New Faces of Comedy" group, one of the highest honors that a comedian at his level can achieve. Josh has also be seen performing in large venue theaters across the country as an opening act for the various members of "The Blue Collar Comedy Tour", has made several appearances on "The Bob & Tom Show", and his viral YouTube internet videos have developed quite the cult following.

*He also has his own line of hilarious t-shirts, adult footed pajamas, and baby clothes, www.lookatmeshirts.com. For more info, check out his website at www.joshsneed.com, or look him up on MySpace or Facebook.
