Dear Jamie,

Thank you for hosting our talent show on Friday night. Everyone had a wonderful time. In the past few days, we have received many compliments that you were the best comedian we have had this year. Your monologues of jokes were stellar and transitions from jokes to acts were exquisite. Thank you for deciding to perform for us and for making us laugh. We hope that you enjoyed your stay in Selinsgrove and our Dollar Store. The Student Activities Committee would love to have you to stop on by and visit anytime you are in the area.

Best of luck with your career and enjoy the Sheetz runs.

Those still laughing,

# ARTIST PERFORMANCE REPORT

NACA school members may use the Artist Performance Report (APR) form to evaluate performances at their campuses. This report assists other campuses in making programming decisions and WILL BE PUBLISHED in NACA's *Campus Activities Programming* magazine. Submission deadlines are listed in each issue at the beginning of the Artist Performance Report section. When you complete this report, please note the following instructions. We will not process incomplete or incorrectly completed forms.

1. This form must be completed by a person who attended the event.
2. Ratings of "poor" must be accompanied by a comment in order to be published.
3. The person reporting must sign and date this form.
4. List the booking agency through which you contacted the performer. Please do not abbreviate the agency name.
5. "Audience reaction" refers to how the audience or attendees reacted, not the number of people in attendance.
6. Do not abbreviate your school's name.
7. You must list the date of the performance in order for the report to be published.
8. Please report on only one artist/attraction on each form.
9. Please focus your comments on items that will help other students make programming decisions.

A response from the associate member will be solicited and published for any "poor" rating. Responses must be made in writing, limited to 35 words and received within 30 days of notification. If there is no response within that time, the "poor" report will be published without a response.

Only APRs received from school members will be published. APRs sent by associate members will be returned.
