

**"no doubt you will be touched, both physically and emotionally by this album." - Amplifier Magazine**

**"Live, they are hugely impressive, achieving Prince-like moments of sheer musical immersion that are the hallmark of the real thing." - Hotpress (Ireland)**

**Turbulence, the debut album proper from Saucy Monkey, is one of those records. It is at once rich, smart, sexy, thrilling, entertaining, diverse and hugely accomplished. It is a great, rock'n'roll record, both playful and deep, its sometimes dark indie heart-core spangled with enough sparks of pop magic to light up the western sky... - Niall Stokes, Hot Press**

**"irrepressible melodicism, smart lyrics and enough charm to deliver the frankest message with a hook and a smile." -LA Times**

# **saucy★monkey**

**"Every once in a while a band comes out of left-field with a record that announces their presence as major contenders in stunningly positive terms" Niall Stokes, Hotpress (Ireland)**

**"...a real indie pop gem." Joe Joyce - Publisher, Amplifier**

**"Turbulence is the most exciting rock n roll record I've heard since The Pixies, Breeders or Oasis... it's a gem of massive proportions" Mark Phillips, Americana-UK**

**"Saucy Monkey certainly have the raw ingredients to emulate the success of bands such as No Doubt and the Primitives" Mick Heany, The Sunday Times (England/Ireland)**

**Saucy Monkey roar back into action with this anthemic, catchy rocker. Featuring waves of crunchy guitar, sultry vocals and soaring, memorable choruses, this is the sound of a confident and refreshingly flamboyant outfit at the top of their game. Bold and beautiful. -Hot Press**
