Please have an event coordinator accompany the ARTIST if the performance venue and the dining hall are not located in the same location.
3. Artist reserves the right to retain 100% of merchandise sale proceeds.
 4. Sound will be provided by [[CO-OP]].
 5. If purchaser is responsible for sound, the following is required: (Sound, Light, and Staging requirements):
 - There must be a sufficient stage for the show. The stage must be raised at least 2 feet off the ground where the audience sits. It also must be at least 10 feet wide and 10 feet deep. Anything larger than this will be fine.
 - A sound system must consist of a straight microphone stand and a handheld microphone with a cord that is at least 25 feet long from when the cord hits the stage. This is so it is not stretched as the performer moves around. A wireless microphone is OK but there must be a backup microphone with a cord set up as well in case of the wireless system cutting out. The microphone must be hooked up to an appropriate amplifier with sound control (Mackie board or equivalent) and at least 2 large JBL type speakers. Depending on the size of the room there may be need for more speakers as appropriate. House sound systems, i.e., speakers built into a room's ceiling may not be sufficient as they tend to over modulate easily and cause distortion.
 - Please no podiums with internal sound systems
 - Ample lighting to illuminate the performance area
 - If an outdoor show is requested and the temperature is below 50 degrees or higher than 90 degrees the Artist has the right to determine if the engagement should be moved to an alternate location unless the Purchaser can adequately heat/cool the performance area to the Artist's satisfaction. The Artist will not perform in the rain or under any inclement weather conditions such as high winds, snow, hail, lightning storms, etc. A stage must be provided for an outdoor show.
