STEPANIAN TECHNICAL RIDER

Contact

All technical inquiries and questions should be directed to Michael at Michael@stepanianband.com or by phone at 857-540-9972.

Sound Setup

Stepanian will provide sound using their PA system, which is capable of providing sound for rooms with a capacity of 400 or under. Rooms with a greater capacity or outdoor shows should be discussed with the band in advance, as arrangements can be made to provide sound in those settings.

Power Requirements

Adequate power must be provided by the venue to effectively run sound, lights, and band gear. This shall include three (3) separate front of stage outlets for effect-board power and three (3) separate rear of stage outlets for amplifiers as well as one (1) outlet at the back of the performance room for the PA front-of-house mixing board.

Stage Requirements

A stage at least 16' X 24' and 2' to 4' in height must be provided. A drum riser at least 6' X 8' and 1' to 2' in height must also be provided. The stage area is for performance only.

Lighting Requirements

Purchaser to provide adequate stage lighting with a 4-color wash.

All changes to this rider and attached contract must be in writing, and initialed by both agent representative and purchaser. Unless waived, all terms and provisions herein shall be agreed to and provided by purchaser.

I hereby agree to the terms and conditions on pages 1-3 of this contract and signify my acceptance by signing below.
