FAQ's

Q: Can we do the event indoors/outdoors?

A: Yes, the rink can be used either indoors or outdoors, weather permitting and surface permitting (the rink must be on a hard, flat surface. Grass is not acceptable).

Q: Will the rink leave marks or ruin the floor if it is indoors?

A: A plastic tarp will be laid under the Roller Rink panels to prevent scratching of the floor surface. To ensure best results, a completely smooth and flat surface is necessary.

Q: What about the skates?

A: Approximately 75 pairs of skates will be provided. Additional skates and children's sizes available upon request.

Q: What is expected of the volunteers?

A: Volunteers are requested to help load-in, load-out, and "skate security" to make sure all skates are returned.
